SECTION 1. PURPOSE

This revenue procedure provides guidance for complying with the user fee program of the Internal Revenue Service as it pertains to requests for letter rulings, determination letters, etc., on matters under the jurisdiction of the Commissioner, Tax Exempt and Government Entities Division; and requests for administrative scrutiny determinations under Rev. Proc. 93-41, 1993-2 C.B. 536.

SECTION 2. CHANGES

.01 *In general.* This revenue procedure is a general update of Rev. Proc. 2010-8, 2010-1 I.R.B. 234.

.02 Changed “lead” to “mass submitter” in sections 6.04(2) and 6.04(3).

.03 Changed the fees in sections 6.03(2) and 6.04(1)(b) to \$9,500.

.04 Updated user fee amounts for various employee plan user fees. The following fee changes have been made:

(a) Changed \$1,000 to \$2,500 in section 6.05(1)(a)

(b) Changed \$1,000 to \$2,000 in section 6.05(1)(b)

(c) Changed \$1,500 to \$3,000 in section 6.05(1)(d)(i) and (ii) and \$10,000 to \$15,000 in section 6.05(1)(d)(iii) and (iv)

(d) Changed \$1,500 to \$3,000 in section 6.05(1)(e)(i) and (ii) and \$10,000 to \$15,000 in section 6.05(1)(e)(iii) and (iv)

(e) Changed \$1,800 to \$4,500 in section 6.05(2)(a)

(f) Changed \$1,800 to \$4,000 in 6.05(2)(b)

(g) Changed \$1,000 to \$1,800 in section 6.05(2)(c)

(h) Changed \$2,300 to \$5,000 in section 6.05(2)(d)(i) and (ii) and \$15,000 to \$25,000 in section 6.05(2)(d)(iii) and (iv)

(i) Changed \$2,300 to \$5,000 in section 6.05(e)(i) and (ii) and \$15,000 to \$25,000 in section 6.05(e)(iii) and (iv)

(j) Changed \$750 to \$1,000 in section 6.05(3).

.05 Sections 6.06, 6.08 and 7.02 have been updated to reflect that requests for changes in accounting method or period are now handled by EO Determinations, and those requests should be sent to the In-

ternal Revenue Service Center in Covington, Kentucky.

.06 The references in 6.07 and 6.08 to application fees after Cyber Assistant availability have been removed because the Service does not expect Cyber Assistant (a Web-based software program designed to assist organizations in preparing their application for recognition of exemption under § 501(c)(3) of the Internal Revenue Code (Form 1023)) to become available in 2011.

.07 The law requires the Service to regularly review and adjust its fees. When setting fees, the Service is required to look at the number of cases and the actual time and costs of processing the cases, plus other cost accounting data. Because of systems limitations, certain types of determinations were provided free of charge that would have otherwise merited a user fee. These included, for example, certain determinations under Chapter 42 of the Internal Revenue Code that were previously private letter rulings under the jurisdiction of EO Technical. The following types of requests postmarked after the effective date of this revenue procedure will now require a user fee: advance approval of § 4942(g)(2) set asides, advance approval of § 4945 grant making procedures, advance approval of § 4945(f) voter registration activities, § 6033 annual information return filing requirements, determination of unusual grants to certain organizations under §§ 170(b)(1)(A)(vi) and 509(a)(2), reclassification of foundation status, including § 4942(j)(3) operating foundation status and § 4940(d) exempt operating foundation status, supporting organization type I, II or III (including whether functionally integrated) classifications under § 509(a)(3), and § 507 terminations of private foundations.

.08 Updated section 7.02 to reflect that requests for determination letters submitted with Form 8940 should be sent to the Internal Revenue Service’s Covington, KY P.O. Box.

.09 Section 13 is revised to change the effective date of this revenue procedure to February 1, 2011 except for certain Exempt Organization user fees, effective January 3, 2011.

.10 Section B of the Appendix is revised to reflect that Rev. Proc. 87-50, 1987-2 C.B. 647 and Rev. Proc. 98-59, 1998-2 C.B. 727 are modified by Rev. Proc. 2010-48, 2010-50 I.R.B. 828.

.11 Section D of the Appendix is revised to reflect that Rev. Proc. 2011-9, the next Bulletin, sets forth revised procedures with regard to applications for recognition of exemption from federal income tax under §§ 501 and 521.

SECTION 3. BACKGROUND

.01 *Legislation authorizing user fees.* Section 7528 was added to the Code by section 202 of the Temporary Assistance for Needy Families Block Grant Program, Pub. L. No. 108-89, and was made permanent by section 8244 of the U.S. Troop Readiness, Veterans’ Care, Katrina Recovery, and Iraq Accountability Appropriations Act, 2007, Pub. L. No. 110-28. Section 7528 of the Code directs the Secretary of the Treasury or delegate (the “Secretary”) to establish a program requiring the payment of user fees for requests to the Service for letter rulings, opinion letters, determination letters, and similar requests. The fees charged under the program (1) are to vary according to categories or subcategories established by the Secretary; (2) are to be determined after taking into account the average time for, and difficulty of, complying with requests in each category and subcategory; and (3) are payable in advance. Section 7528(b)(3) directs the Secretary to provide for exemptions and reduced fees under the program as the Secretary determines to be appropriate, but the average fee applicable to each category may not be less than the amount specified in § 7528.

.02 *Related revenue procedures.* The various revenue procedures that require payment of a user fee, or an administrative scrutiny determination user fee are described in the appendix to this revenue procedure.

SECTION 4. SCOPE

.01 *Requests to which user fees apply.* In general, user fees apply to all requests

for letter rulings, opinion letters, determination letters, and advisory letters submitted by or on behalf of taxpayers, sponsoring organizations or other entities as described in this revenue procedure. Further, administrative scrutiny determination user fees, described in Rev. Proc. 93-41, are collected through the user fee program described in this revenue procedure. Requests to which a user fee or an administrative scrutiny determination user fee is applicable must be accompanied by the appropriate fee as determined from the fee schedule set forth in section 6 of this revenue procedure. The fee may be refunded in limited circumstances as set forth in section 10.

.02 *Requests and other actions that do not require the payment of a user fee.* Actions which do not require the payment of a user fee include the following:

(1) Requests for information letters as defined in Rev. Proc. 2011-4, page 123, this Bulletin.

(2) Elections pertaining to automatic extensions of time under § 301.9100-1 of the Procedure and Administration regulations.

(3) Use of forms which are not to be filed with the Service. For example, no user fee is required in connection with the use of Form 5305, *Traditional Individual Retirement Trust Account*, or Form

5305-A, *Traditional Individual Retirement Custodial Account*, in order to adopt an individual retirement account under § 408(a).

(4) In general, plan amendments whereby sponsors amend their plans by adopting, word-for-word, the model language contained in a revenue procedure which states that the amendment should not be submitted to the Service and that the Service will not issue new opinion, advisory, ruling or determination letters for plans that are amended solely to add the model language.

(5) Change in accounting period or accounting method permitted by a published revenue procedure that permits an automatic change without prior approval of the Commissioner.

(6) *Compliance and Correction Fees.* Compliance fees and compliance correction fees under the Employee Plans Compliance Resolution System are not described in this procedure because they are compliance fees or compliance correction fees and not user fees. For further guidance, please see Rev. Proc. 2008-50, 2008-35 I.R.B. 464.

.03 *Exemptions from the user fee requirements.* The following exemptions apply to the user fee requirements. These are the only exemptions that apply:

(1) Departments, agencies, or instrumentalities of the United States that certify that they are seeking a letter ruling, determination letter, opinion letter or similar letter on behalf of a program or activity funded by federal appropriations. The fact that a user fee is not charged has no bearing on whether an applicant is treated as an agency or instrumentality of the United States for purposes of any provision of the Code except for § 7528.

(2) Requests as to whether a worker is an employee for federal employment taxes and federal income tax withholding purposes (chapters 21, 22, 23, 23A, and 24 of subtitle C of the Code) submitted on Form SS-8, *Determination of Worker Status for Purposes of Federal Employment Taxes and Income Tax Withholding*, or its equivalent. Such a request may be submitted in connection with an application for a determination on the qualification of a plan when it is necessary to determine whether an employer-employee relationship exists. See section 6.13 of Rev. Proc. 2011-6, page 195, this Bulletin. In that case, although no user fee applies to the request submitted on Form SS-8, the applicable user fee must be paid in connection with the application for determination on the plan's qualification.

SECTION 8. REQUESTS INVOLVING MULTIPLE OFFICES, FEE CATEGORIES, ISSUES, TRANSACTIONS, OR ENTITIES

.01 Requests involving several offices. If a request dealing with only one transaction involves more than one of the offices within Headquarters (for example, one issue is under the jurisdiction of the Associate Chief Counsel (Income Tax & Accounting) and another issue is under the jurisdiction of the Commissioner, Tax Exempt and Government Entities Division), only one fee applies, namely the highest fee that otherwise would apply to each of the offices involved. See Rev. Proc. 2011–1, this Bulletin, for the user fees applicable to issues under the jurisdiction of the Associate Chief Counsel (Corporate), the Associate Chief Counsel (Financial Institutions & Products), the Associate Chief Counsel (Income Tax & Accounting), the Associate Chief Counsel (Passthroughs & Special Industries), the Associate Chief Counsel (Procedure and Administration), the Associate Chief Counsel (International) or the Division Counsel/Associate Chief Counsel (Tax Exempt and Government Entities).

.02 Requests involving several fee categories. If a request dealing with only one transaction involves more than one fee category, only one fee applies, namely the highest fee that otherwise would apply to each of the categories involved.

.03 Requests involving several issues. If a request dealing with only one transaction involves several issues, or a request for a change in accounting method dealing with only one item or sub-method of accounting involves several issues, or a request for a

change in accounting period dealing with only one item involves several issues, the request is treated as one request. Therefore, only one fee applies, namely the fee that applies to the particular category or subcategory involved. The addition of a new issue relating to the same transaction will not result in an additional fee, unless the issue places the transaction in a higher fee category.

.04 *Requests involving several unrelated transactions.* If a request involves several unrelated transactions, or a request for a change in accounting method involves several unrelated items or sub-methods of accounting, or a request for a change in accounting period involves several unrelated items, each transaction or item is treated as a separate request. As a result, a separate fee will apply for each unrelated transaction or item. An additional fee will apply if the request is changed by the addition of an unrelated transaction or item not contained in the initial submission.

.05 *Requests for separate letter rulings for several entities.* Each entity involved in a transaction (for example, an exempt hospital reorganization) that desires a separate letter ruling in its own name must pay a separate fee regardless of whether the transaction or transactions may be viewed as related.

SECTION 9. PAYMENT OF FEE

.01 *Method of payment.* Each request to the Service for a letter ruling, determination letter, opinion letter, etc., must be accompanied by a check or money order, payable to the United States Treasury, in the appropriate amount. Taxpayers should not send cash.

.02 *Transmittal forms.* Form 8717, *User Fee for Employee Plan Determination, Opinion, and Advisory Letter Request*, and Form 8718, *User Fee for Exempt Organization Determination Letter Request*, are intended to be used as attachments to certain determination letter, opinion letter and advisory letter applications. Space is reserved for the attachment of the applicable user fee check or money order. No similar form has been designed to be used in connection with requests for letter rulings or administrative scrutiny determinations.

.03 *Effect of nonpayment or payment of incorrect amount.*

It will be the general practice of the Service that:

(1) The respective offices within the Service that are responsible for issuing letter rulings, determination letters, etc., will exercise discretion in deciding whether to immediately return submissions that are not accompanied by a properly completed check or money order or that are accompanied by a check or money order for less than the correct amount. In those instances where the submission is not immediately returned, the requester will be contacted and given a reasonable amount of time to submit the proper fee. If the proper fee is not received within a reasonable amount of time, the entire submission will then be returned. However, the respective offices of the Service, in their discretion, may defer substantive consideration of a submission until proper payment has been received.

(2) An application for a determination letter will not be returned merely because Form 8717 or Form 8718 was not attached.

(3) The return of a submission to the requester may adversely affect substantive rights if the submission is not perfected and resubmitted to the Service within 30 days of the date of the cover letter returning the submission. Examples of this are: (a) where an application for a determination letter is submitted prior to the expiration of the remedial amendment period under § 401(b) and is returned because no user fee was attached, the submission will be timely if it is resubmitted by the expiration of the remedial amendment period or, if later, within 30 days after the application was returned; and (b) where an application for exemption under § 501(c)(3) is submitted before expiration of the period provided by § 1.508-1(a)(2) and is returned because no user fee was attached, the submission will be timely if it is resubmitted before expiration of the period provided by § 1.508-1(a)(2) or within 30 days, whichever is later.

(4) If a check or money order is for more than the correct amount, the submission will be accepted and the amount of the excess payment will be returned to the requester.

SECTION 10. REFUNDS

.01 *General rule.* In general, the fee will not be refunded unless the Service declines to rule or make a determination on all issues for which a ruling or determination letter is requested.

.02 *Examples.*

(1) The following situations are examples in which the fee will not be refunded:

(a) The request for a letter ruling, determination letter, etc., is withdrawn at any time subsequent to its receipt by the Service, unless the only reason for withdrawal is that the Service has advised the requester that a higher user fee than was sent with the request is applicable and the requester is unwilling to pay the higher fee. For example, no fee will be refunded where the taxpayer has been advised that a proposed adverse ruling is contemplated and subsequently withdraws its submission.

(b) The request is procedurally deficient, although accompanied by the proper fee or an overpayment, and it is not timely perfected. When there is a failure to timely perfect the request, the case will be considered closed and the failure to perfect will be treated as a withdrawal for purposes of this revenue procedure. An exemption application that is not substantially complete is considered a procedurally deficient request for a letter ruling or a determination letter on exempt status.

(c) In the case of a request for a letter ruling, if the case has been closed by the Service because essential information has not been submitted timely, the request may be reopened and treated as a new request, but the requester must pay another user fee before the case can be reopened. See, section 11.04(5) of Rev. Proc. 2011-4, page 123, this Bulletin.

(d) A letter ruling, determination letter, etc., is revoked in whole or in part at the initiative of the Service. The fee paid at the time the original letter ruling, determination letter, etc., was requested will not be refunded.

(e) The request contains several issues and the Service rules on some, but not all, of the issues. The highest fee applicable to the issues on which the Service rules will not be refunded.

(f) The requester asserts that a letter ruling the requester received covering a single issue is erroneous or not responsive (other than an issue on which the Service

has declined to rule) and requests reconsideration. The Service, upon reconsideration, does not agree that the letter ruling is erroneous or is not responsive. The fee accompanying the request for reconsideration will not be refunded.

(g) The situation is the same as described in subparagraph (f) of this section 10.02(1) except that the letter ruling covered several unrelated transactions. The Service, upon reconsideration, does not agree with the requester that the letter ruling is erroneous or is not responsive for all of the transactions, but does agree that it is erroneous as to one transaction. The fee accompanying the request for reconsideration will not be refunded except to the extent applicable to the transaction for which the Service agrees the letter ruling was in error.

(h) The request is for a supplemental letter ruling, determination letter, etc., concerning a change in facts (whether significant or not) relating to the transaction on which the Service ruled.

(i) The request is for reconsideration of an adverse or partially adverse letter ruling or a final adverse determination letter, and the taxpayer submits arguments and authorities not submitted before the original letter ruling or determination letter was issued.

(2) The following situations are examples in which the user fee will be refunded:

(a) In a situation to which section 10.02(1)(i) of this revenue procedure does not apply, the taxpayer asserts that a letter ruling the taxpayer received covering a single issue is erroneous or is not responsive (other than an issue on which the Service declined to rule) and requests reconsideration. Upon reconsideration, the Service agrees that the letter ruling is erroneous or is not responsive. The fee accompanying the taxpayer's request for reconsideration will be refunded.

(b) In a situation to which section 10.02(1)(i) of this revenue procedure does not apply, the requester requests a supplemental letter ruling, determination letter, etc., to correct a mistake that the Service agrees it made in the original letter ruling, determination letter, etc., such as a mistake in the statement of facts or in the citation of a Code section. Once the Service agrees that it made a mistake, the fee accompanying the request for the supplemental letter ruling, determination letter, etc., will be refunded.

(c) The taxpayer requests and is granted relief under § 7805(b) in connection with the revocation in whole or in part, of a previously issued letter ruling,

determination letter, etc. The fee accompanying the request for relief will be refunded.

(d) In a situation to which section 10.02(1)(e) of this revenue procedure applies, the requester requests reconsideration of the Service's decision not to rule on an issue. Once the Service agrees to rule on the issue, the fee accompanying the request for reconsideration will be refunded.

SECTION 11. REQUEST FOR RECONSIDERATION OF USER FEE

A taxpayer that believes the user fee charged by the Service for its request for a letter ruling, determination letter, etc., is either not applicable or incorrect and wishes to receive a refund of all or part of the amount paid (see section 10 of this revenue procedure) may request reconsideration and, if desired, the opportunity for an oral discussion by sending a letter to the Internal Revenue Service at the applicable Post Office Box or other address given in section 7. Both the incoming envelope and the letter requesting such reconsideration should be prominently marked "USER FEE RECONSIDERATION REQUEST." No user fee is required for these requests. The request should be marked for the attention of:

SECTION 12. EFFECT ON OTHER DOCUMENTS

Rev. Proc. 2010-8 is superseded.

SECTION 13. EFFECTIVE DATE

This revenue procedure is generally effective February 1, 2011. The Exempt Organization User Fees set forth in sections 6.06, 6.07 and 6.08 are effective January 3, 2011.

SECTION 14. PAPERWORK REDUCTION ACT

The collections of information contained in this revenue procedure have been reviewed and approved by the Office of Management and Budget in accordance with the Paperwork Reduction Act (44 U.S.C. 3507) under control number 1545-1520.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the

collection of information displays a valid OMB control number.

The collections of information in this revenue procedure are in section 6.07. This information is required to substantiate that a taxpayer or an exempt organization seeking to pay a reduced user fee with respect to a request for a determination letter is entitled to pay the reduced fee; to identify the user fee category and corresponding fee required to be paid with respect to determination letter requests; to request reconsideration of the user fee

charged by the Service and, in connection with such a request, to indicate whether an oral discussion is desired. This information will be used to enable the Service to determine whether the taxpayer or exempt organization is entitled to pay a reduced user fee, to ascertain whether reconsideration of the user fee is being requested and, if it is being requested, whether an oral discussion is requested. The collections of information are voluntary, to obtain a benefit. The likely respondents are individuals, businesses or other for-profit institutions, nonprofit institutions, and small businesses or organizations.

The estimated total annual reporting and/or recordkeeping burden is 300 hours.

The estimated annual burden per respondent/recordkeeper varies from one hour to ten hours, depending on individual circumstances, with an estimated average of three hours. The estimated number of respondents and/or recordkeepers is 90 (requests for reduced fees) and 10 (requests for reconsideration of fee).

The estimated annual frequency of responses is on occasion.

Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

years beginning after December 31, 1989, to change the deadline for requesting rulings under the revenue procedure, to revise the information requirements for a ruling request made under the revenue procedure, to furnish a worksheet for actuarial computations, and to provide a special rule under which certain *de minimis* nondeductible employer contributions to a qualified defined benefit plan may be returned to the taxpayer without a formal ruling or disallowance from the Service.

Definition of Terms

Revenue rulings and revenue procedures (hereinafter referred to as “rulings”) that have an effect on previous rulings use the following defined terms to describe the effect:

Amplified describes a situation where no change is being made in a prior published position, but the prior position is being extended to apply to a variation of the fact situation set forth therein. Thus, if an earlier ruling held that a principle applied to A, and the new ruling holds that the same principle also applies to B, the earlier ruling is amplified. (Compare with *modified*, below).

Clarified is used in those instances where the language in a prior ruling is being made clear because the language has caused, or may cause, some confusion. It is not used where a position in a prior ruling is being changed.

Distinguished describes a situation where a ruling mentions a previously published ruling and points out an essential difference between them.

Modified is used where the substance of a previously published position is being changed. Thus, if a prior ruling held that a principle applied to A but not to B, and the new ruling holds that it applies to both A

and B, the prior ruling is modified because it corrects a published position. (Compare with *amplified* and *clarified*, above).

Obsoleted describes a previously published ruling that is not considered determinative with respect to future transactions. This term is most commonly used in a ruling that lists previously published rulings that are obsoleted because of changes in laws or regulations. A ruling may also be obsoleted because the substance has been included in regulations subsequently adopted.

Revoked describes situations where the position in the previously published ruling is not correct and the correct position is being stated in a new ruling.

Superseded describes a situation where the new ruling does nothing more than restate the substance and situation of a previously published ruling (or rulings). Thus, the term is used to republish under the 1986 Code and regulations the same position published under the 1939 Code and regulations. The term is also used when it is desired to republish in a single ruling a series of situations, names, etc., that were previously published over a period of time in separate rulings. If the new ruling does more than restate the substance

of a prior ruling, a combination of terms is used. For example, *modified* and *superseded* describes a situation where the substance of a previously published ruling is being changed in part and is continued without change in part and it is desired to restate the valid portion of the previously published ruling in a new ruling that is self contained. In this case, the previously published ruling is first modified and then, as modified, is superseded.

Supplemented is used in situations in which a list, such as a list of the names of countries, is published in a ruling and that list is expanded by adding further names in subsequent rulings. After the original ruling has been supplemented several times, a new ruling may be published that includes the list in the original ruling and the additions, and supersedes all prior rulings in the series.

Suspended is used in rare situations to show that the previous published rulings will not be applied pending some future action such as the issuance of new or amended regulations, the outcome of cases in litigation, or the outcome of a Service study.
